Circular No. 553—*P. S.*

To

All Drawing Officers.

Re:—Incomplete address of payees in the Bills for supplies made or services rendered to Government Departments, sent to the Audit Office for arranging payment.

It has been noticed that some of the above bills relating to private firms or parties received from the Department for arranging payment do not contain the full postal address of the payees. Consequently intimations sent by post to such of those payees as are living in Bangalore to take delivery of the cheques at the Pay Section, as also cheques sent by registered post to mofussil firms have been returned by the Post Office undelivered for want of sufficient address. In the absence of complete address such undelivered cheques will have to be forwarded to the Departmental officers for arrangining their delivery to the payees concerned after ascertaining their correct address and the receipt of acknowledgment of payees after delivery of cheques has to be watched in the Audit Office to discharge its responsibility in the matter. Thus, omission to furnish full address in the bills entails not only additional work in the Audit Office but also delay in the receipt of cheques by the payees.

All the Drawing Officers are therefore requested to ensure in future that the full addresses of payees are furnished invariably in all bills before they are sent to the Audit Office for pre-audit and payment. Any bills bearing incomplete addresses are liable to be returned unaudited.

Circular No. 554—*P. S.*

Subject:—Taking delivery of cheques issued in payment of non-token bills at the Pay Section Accountant-General's Office, by the departmental offices at Bangalore.

It has bitherto been the practice that cheques issued in payment of N. T. Bills relating to the claims of Government Departments in Bangalore are delivered to the Departments through the Cycle Orderly of this Office. As this practice has been found to be defective in that the responsibility for delivery of cheques to the correct party devolving on the Pay Section of this offices could not be discharged satisfactorily, it will be discontinued forthwith and the following procedure brought into effect:—

As soon as cheques in payment of N.T. Bills are drawn, intimations will be sent to the department officers for taking delivery of such cheques at the Pay Section of the Accountant-General's Office after furnishing proper receipt therefor and also an authorisation to deliver them to the Messengers deputed for the purpose from the offices. The intimations sent from this office should invariably accompany all such receipts. N.T. Bills returned unpaid will, however, be despatched to the offices concerned through the Cycle Orderly as hitherto.
